

Questionnaire: Your Website and Internet Use

Dear All,

I am writing to ask if you will help with an assignment for my course on 'Communication and Technology'. Part of the assignment means collecting information in our Mission Community (MC) on how we think about technology, Christians and church. Would you help by answering the following questions and then leave the questionnaire with a sides person? – see

below at the bottom of sheet? All the information that you may provide is anonymous, but if you would like a summary of the outcome - just email me at adelooy@gmail.com. Thank you for all your help
