

Each course is run by our Diocesan team at least once a year. Most of these sessions happen online via Zoom on weekday evenings. **LEADING FROM THE FRONT** is a downloadable video resource, available via the website.

We're always keen to hear from people willing to help lead these courses. Furthermore, any church leader can run a course themselves locally, and can be sent all the materials.

Please do bear these courses in mind for members of your churches, and encourage people to access them as much as possible.

GROW COURSES offer introductory learning opportunities for a wide range of roles over Zoom.

Primarily for lay people, these courses can be accessed by anyone, and may be used as part of their discernment process or as learning for a current or future role.

This project aims to help our church members to grow in prayer, make new disciples and serve the people of Devon with joy through practical and specific learning.

Courses are certificated, and can be undertaken without prior learning. Some participants join before or after undertaking FiCM, but these courses stand alone. Public recognition of this learning is really valuable, so we'd encourage all churches to acknowledge those who complete Grow courses.
